Suite 1200  
Washington, DC 20530-0001

I would like to take this opportunity to state that the terms of the Microsoft Settlement do not adequately punish Microsoft for the monopolistic behaviors of which it was found guilty.  
Nor do the terms of the settlement serve to prevent Microsoft from continuing and expanding its anti-competitive practices in the future.

This settlement is not in the interest of the people or the industry and should be rejected.
